## Upper Catskill Community Council of the Arts

*This year the Arts Council provided funding support to 24 organizations, 10 public schools, and 32 artists to create artistic programming. At Wilber Mansion we curated 18 exhibitions in 3 galleries, managed a full curriculum of art classes including day camps, organized free art instruction to over 2,500 children in 8 school districts, and provided almost \$5,000 in stipends and scholarships to aspiring artists. Restoration work on our historic home continues both inside and out!*
